## Area Location Map

Use this map to access University District from freeways.

See map **A** below for detailed instruction in locating Surgical Pavilion or UW Medical Center.

See map **B** below for detailed instruction in locating UWMC Roosevelt Clinic

## Driving Directions from SR-520 to UW Surgery Pavilion Parking Garage:

- From NE Pacific St. and Montlake Blvd. NE turn onto Pacific St. and proceed West. The sign says:

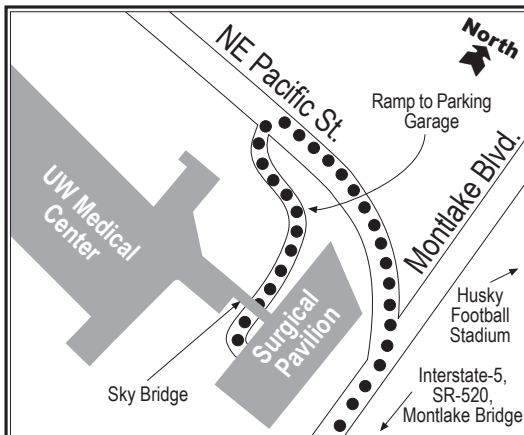

- At flashing light turn left. The sign says:

Surgery Pavilion is on your left. Proceed down the ramp to Surgery Pavilion Parking Garage.

- Obtain ticket at ticket booth. Bring ticket with you for validation.

In parking garage enter the building at glass doors (Elevators are on each parking level, P1, P2 and P3.)

- If your exam is in the Surgery Pavilion:**

Please take the elevators to the 3rd floor. Exit the elevator and make an immediate left into Radiology (double doors). Check in at Radiology Reception Desk.

- If your exam is in the UW Medical Center:**

Get off the elevator on the 2nd floor and proceed straight ahead across the sky bridge. Sign says:

Emergency, Main Medical Center

Follow the corridor, staying to the right. Pass Emergency Room (where reception desks are located on both sides of hallway). Proceed straight past Emergency. Sign says:

↑ Radiology

Follow the corridor to a "T" and turn left. Then follow signs to Radiology. (Radiology Reception is on the left immediately after the Pacific Elevators.)

## Driving Directions to UWMC Roosevelt Clinic

Parking for the Roosevelt Clinic is in the clinic building, entrance is on Roosevelt Way.
