

Workshop space is limited. For information, call Diana Jensen at **206-543-3061** or e-mail: [vil@u.washington.edu](mailto:vil@u.washington.edu)

Our mailing address is:

Vascular Imaging Laboratory  
815 Mercer Street  
Seattle, WA 98109

### **Accreditation:**

The University of Washington School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of Washington School of Medicine designates this educational activity for a maximum of **14.25 AMA PRA Category 1 Credits™**. Physicians should only claim credit commensurate with the extent of their participation in the activity.

## **MRI of Carotid Atherosclerosis**

***A workshop and symposium for imaging vulnerable carotid plaque***

Workshop  
**Sept. 24<sup>th</sup> and 25<sup>th</sup>, 2008**

Symposium:  
**Sept. 26<sup>th</sup>, 2008**

Presented by the  
Vascular Imaging Laboratory and  
the Bio-Molecular Imaging Center  
Department of Radiology  
University of Washington  
Seattle, WA

## ***Workshop***

- ***Understand*** basic pathophysiology of atherosclerotic carotid disease
- ***Master*** the basic imaging techniques for the carotid artery wall
- ***Learn*** protocols for imaging carotid atherosclerosis using the Philips Achieva 3T MR scanner
- ***Explore*** the potential of new and novel imaging at 3T
- ***Practice*** 3T carotid MRI scanning with extensive hands-on opportunities
- ***Discover*** practical analysis of imaging data with the latest quantitative interpretation software

## ***Symposium***

**Carotid Atherosclerosis Imaging: Application in Clinical Trials and Natural History Studies**
